

To make another Excellent Ballme.

Take of oyle Olive à pint, St Johns Wort,
Bedony, Gontony and Solfordale of each an
handfull, Stamp them and mixe them well,
and putt them into the oyle, and lett them stand
in a glass all summer long, Then presse it,
This Cures all woundes suddainly, anoynting
them morning and evening It Expells
humors, And is Exellent in all feaveres,
Bruises and such like.
